

# Bennington Water Quality Report 2011

All Town of Bennington Water Customers will be receiving a "*Water Quality Report 2011*" from the Town of Bennington Water Department. These reports were mailed on May 19, 2011.

Property owners that own more than one property on the Bennington water system will receive one copy for each property owned. Those property **owners are responsible for the availability of this report to the tenants of those properties.**

If you do not receive a copy, or as a tenant one has not been made available to you, additional copies will be available at the Bennington Town Offices located at 205 South Street and can be picked up Monday thru Friday 8:00 a.m. - 5:00 p.m.
